

QVscribe Score Scan

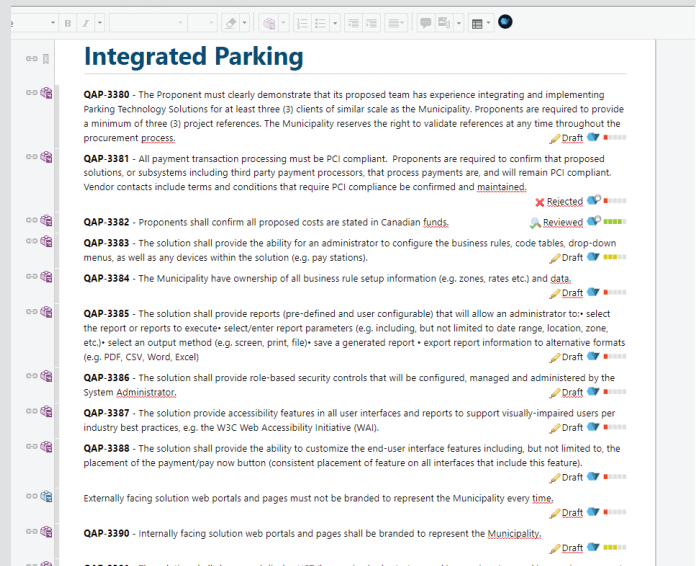

What's New

Quickly review and triage your requirements' quality in real-time with QVscribe's Score Scan. Available on Polarion, DOORS Next, and Jama, users can view all requirement QVscribe scores simultaneously within their platform viewing windows. Instantly find and focus on your high-risk requirements.

Polarion: Score Scan

Users will be able to see the requirement quality scores right beside the requirements in Polarion Livedoc View and individual requirement view in Polarion Table View.

Polarion Livedoc View

The screenshot displays the Polarion Table View, showing a table of requirements. The table has the following columns: ID, Title, Status, Priority, Assignee(s), Initial Est., Remaining, and Created. The requirements listed are:

| ID | Title | Status | Priority | Assignee(s) | Initial Est. | Remaining | Created |
|----------|--|--------|----------|-------------|--------------|-----------|------------------|
| QAP-3659 | Externally facing solution web portals and pa | Draft | 50.0 | | | | 2022-09-02 17:11 |
| QAP-3095 | tonne-mass: This is a test for Units: We shall | Draft | 50.0 | | | | 2022-08-19 14:16 |
| QAP-3094 | foot-pound-torque: This is a test for Units: W | Draft | 50.0 | | | | 2022-08-19 14:16 |
| QAP-3093 | hectare-area: This is a test for Units: We shall | Draft | 50.0 | | | | 2022-08-19 14:16 |
| QAP-3092 | metric ton-mass: This is a test for Units: We s | Draft | 50.0 | | | | 2022-08-19 14:16 |
| QAP-3091 | inch-pound-torque: This is a test for Units: W | Draft | 50.0 | | | | 2022-08-19 14:16 |
| QAP-3090 | chain-length: This is a test for Units: We shall | Draft | 50.0 | | | | 2022-08-19 14:16 |
| QAP-3089 | inch-length: This is a test for Units: We shall | Draft | 50.0 | | | | 2022-08-19 14:16 |
| QAP-3088 | foot-length: This is a test for Units: We shall | Draft | 50.0 | | | | 2022-08-19 14:16 |

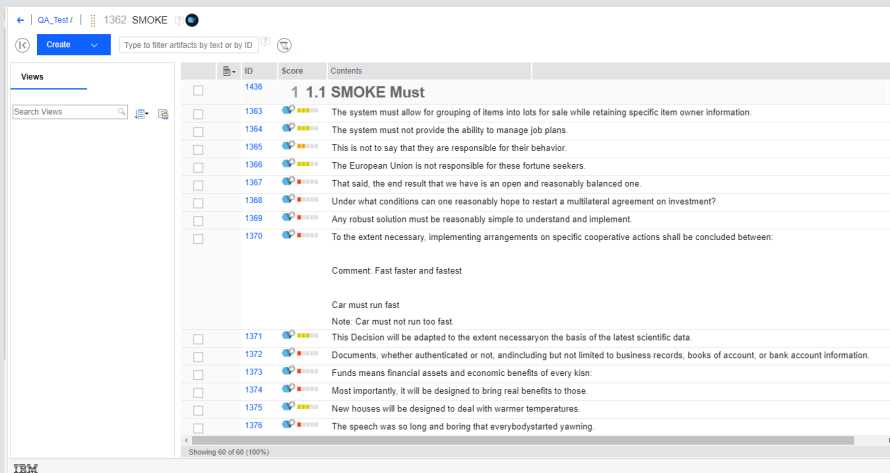

Below the table, there is a section for 'Categories' and a 'Description' field. The description reads: 'Externally facing solution web portals and pages must not be branded to represent the Municipality every time.' There is also a 'Comments' section with a 'Create Comment' button and a 'Work Records' section.

DOORS:

Score Scan

Users will be able to see the requirement quality scores right beside the requirements in DOORS Requirement List View and DOORS Individual Requirement View.

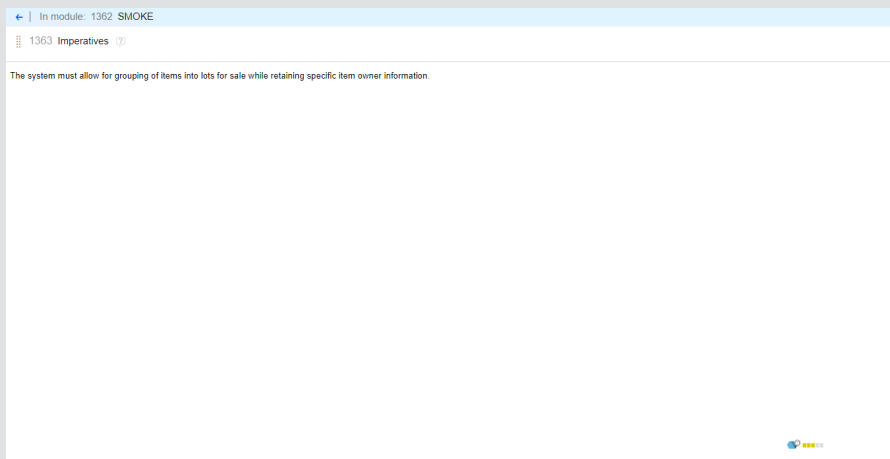

The screenshot shows the DOORS Requirement List View. On the left is a sidebar with a 'Views' section and a search bar. The main area displays a table of requirements. The table has columns for 'ID', 'Score', and 'Contents'. The requirements are listed with their IDs and scores, and their contents are displayed in a scrollable area. The requirements are as follows:

| ID | Score | Contents |
|------|-------|--|
| 1436 | 1.1 | 1.1 SMOKE Must |
| 1363 | 5.0 | The system must allow for grouping of items into lots for sale while retaining specific item owner information. |
| 1364 | 5.0 | The system must not provide the ability to manage job plans. |
| 1365 | 5.0 | This is not to say that they are responsible for their behavior. |
| 1366 | 5.0 | The European Union is not responsible for these fortune seekers. |
| 1367 | 5.0 | That said, the end result that we have is an open and reasonably balanced one. |
| 1368 | 5.0 | Under what conditions can one reasonably hope to restart a multilateral agreement on investment? |
| 1369 | 5.0 | Any robust solution must be reasonably simple to understand and implement. |
| 1370 | 5.0 | To the extent necessary, implementing arrangements on specific cooperative actions shall be concluded between: |
| | | Comment: Fast faster and fastest |
| | | Car must run fast |
| | | Note: Car must not run too fast. |
| 1371 | 5.0 | This Decision will be adapted to the extent necessary on the basis of the latest scientific data. |
| 1372 | 5.0 | Documents, whether authenticated or not, and including but not limited to business records, books of account, or bank account information. |
| 1373 | 5.0 | Funds means financial assets and economic benefits of every kind. |
| 1374 | 5.0 | Most importantly, it will be designed to bring real benefits to those. |
| 1375 | 5.0 | New houses will be designed to deal with warmer temperatures. |
| 1376 | 5.0 | The speech was so long and boring that everybody started yawning. |

Showing 69 of 69 (100%)

DOORS Requirement List View

The screenshot shows the DOORS Individual Requirement View. The top bar indicates 'In module: 1362 SMOKE'. Below this, the requirement is displayed with its ID and score. The requirement is as follows:

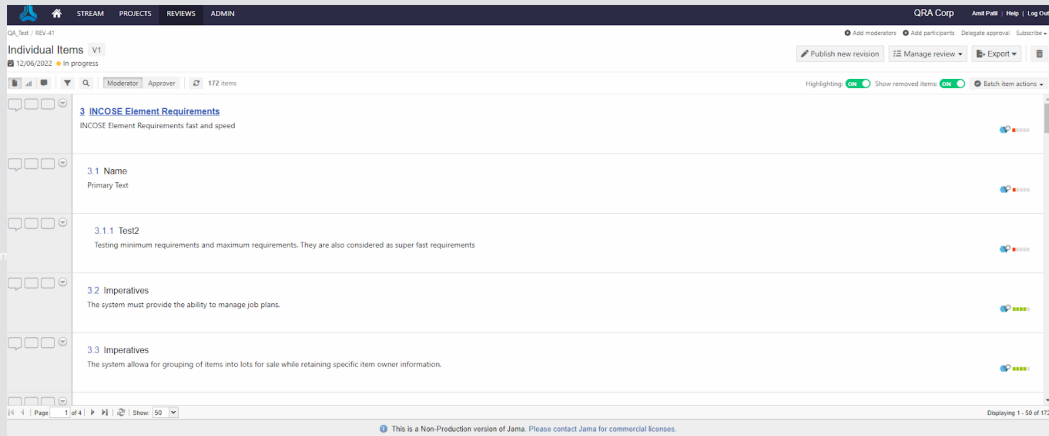

| ID | Score | Contents |
|------|-------------|---|
| 1363 | Imperatives | The system must allow for grouping of items into lots for sale while retaining specific item owner information. |
